TOPIC: The nature and demands of the Oriental medical/holistic health profession require personal attributes and motivation which complement intellectual abilities. Please address the following topics:

1. Describe what you think makes you a good candidate to become an Oriental medicine practitioner or holistic health professional.
2. Discuss experiences you have had, and how these experiences and your values could make a contribution to your own and your patients' healthcare.
3. As this education is also a process of self-exploration, identify some ways you hope to develop personally on your journey to becoming a healer and how you envision that process.
